- **Bellaire Community Health Center**
 - Location: Bellaire, TX - 77401
 - Contact Phone: (713) 839-7111
 - Details: St. Hope Foundation Inc. is a nonprofit 501(c)(3) community healthcare organization that was established in November 1999. St. Hope is recognized as a Patient-Centered Medical Home by the National Committee of Quality Assurance (NCQA). Our organization was created in response to the growing need for innovative, effective healthcare designed to provide quality services to reduce health disparities within Houston, Texas and rural counties. We serve patients from various disease states that include, but is not limited to, heart disease, diabetes, HIV/AIDS, Hepatitis C, obesity, high blood pressure, obesity, gout, skin disorder, cancer, and mental health. As a comprehensive, federally-qualified Health Center (FQHC), St. Hope targets unmet needs and gaps in health-related services, fostering client-centered programs to meet these necessities. Within the last 20 years of service, St. Hope has performed routine health screenings for more than 30,000 people and has been a key prevention contractor for the City of Houston, DHHS, Bureau of HIV/STD and Viral Hepatitis Prevention, and Centers for Disease Control (CDC). Prevention and wellness are essential guideposts at St. Hope. Known for conducting large community health promotions in resource-limited areas, St. Hope has garnered support both locally and nationally for its innovative sexual health screenings with BET's College Road Tour Rap-It-Up campaign, targeting young African Americans and Latinos at

historically black colleges and universities (HBCUs). The St. Hope Foundation receives funding through several financing streams, including HRSA, Ryan White, Centers for Disease Control, DSHS, City of Houston, The Simmons Foundation, and several private foundations.

- **Casa El Buen Samaritano**

- Location: Houston, TX - 77085
- Contact Phone: (713) 721-4101
- Details: Casa El Buen Samaritano, a 501(c)(3) charity clinic, has been serving the Greater Houston area since 2008. Casa seeks to minister both the physical and spiritual needs of patients and their families. Casa serves patients from more than 90 unique zip codes in the Houston and surrounding areas. Casa's operations are made possible thanks to the dedicated medical and non-medical mission-minded volunteers that serve at Casa's Medical Clinic. Under the direction of the Quality Assurance Committee, Casa Clinic focuses its efforts on five clinical impact areas.

- **Denver Harbor Family Clinic**

- Location: Houston, TX - 77020
- Contact Phone: (713) 674-3326
- Details: Denver Harbor Family Clinic is a family health center providing quality medical, dental and counseling services to all ages since 2001.

- **Eastwood Health Center**

- Location: Houston, TX - 77023
- Contact Phone: (713) 660-1880
- Details: Serving Houston's East End community since 1994, El Centro de Corazón (El Centro) is an accomplished Federally Qualified Health Center (FQHC) with four health centers and offers a comprehensive range of pediatric and adult health care services for the medically underserved and uninsured, which includes primary care, women's health, dental care, and behavioral health services. El Centro also provides ancillary services, such as case management and eligibility assistance, to help patients and their families overcome obstacles to accessing health care services.

- **Family Houston**

- Location: Houston, TX - 77007
- Contact Phone: (713) 861-4849
- Details: Family Houston provides professional, confidential counseling for children and adults, individuals and families. We accept all major insurance plans and offer a sliding-fee scale.

- **Good Neighbor Healthcare Center**

- Location: Houston, TX - 77007
- Contact Phone: (713) 529-3597
- Details: Good Neighbor Healthcare Center, a non-profit United Way health care agency, is proud of its long tradition of providing services in a caring environment where fees are charged on a sliding scale according to income. The clinic offers

care in the following areas: pediatrics, adult care, women's care, dentistry, and behavioral health. Breast cancer education and screening services are available, as are lab services and nutritional counseling. Partners in care include: the University of Houston College of Optometry Clinic, the Menninger Clinic, and our local Walgreens Pharmacy. In 2005, Good Neighbor became a Federally Qualified Health Center (FQHC). FQHCs serve low income and medically underserved communities, and fees are based on the patient's ability to pay. They are staffed by highly competent health care professional teams who provide quality healthcare to all people regardless of insurance status or income level. FQHCs are also community controlled by voluntary Boards of Directors. The majority of each Board must be users of the clinic.

- **Greenspoint Community Health Center**

- Location: Houston, TX - 77060
- Contact Phone: (832) 300-8040
- Details: St. Hope Foundation Inc. is a nonprofit 501(c)(3) community healthcare organization that was established in November 1999. - **Harris Health System Healthcare For The Homeless - Mobile Dental Unit**
 - Location: Houston, TX - 77054
 - Contact Phone: (713) 634-1050
 - Details: At Harris Health System, we want to improve healthcare for the homeless, and make it easier for the homeless to access healthcare services. Our Healthcare for the Homeless Program provides dental care and a variety of preventive and primary healthcare services to homeless individuals through shelter-based clinics and through mobile health and dental units. The program also provides eligibility and registration services through homeless shelter locations in the greater Houston area. Through a number of strategic partnerships, the Healthcare for the Homeless Program provides on-site mental health and substance abuse counseling. This program reduces or eliminates barriers to healthcare experienced by homeless individuals, enables healthcare problems to be detected and treated early, decreases emergency center use for primary care needs, increases immunization rates of homeless children, increases tuberculin screening and follow-up, and increases health promotion and prevention education among the homeless in our community.
